Consent to Evaluation & Care

1. I authorize *KC CORE* to perform an evaluation and to provide modalities and therapeutic procedures that they may consider necessary or advisable in the course of my healthcare. All treatment procedures and a plan of care will be discussed with me prior to receiving such treatments.
2. I **DO / DO NOT** give permission for *KC CORE* staff to provide Basic Life Support (CPR/First Aid) treatment in the event that I experience life threatening symptoms such as heart attack, choking, loss of consciousness, stroke, or other significant symptoms.
3. The nature and purpose of the procedures, possible alternatives, risks involved, possible consequences and the possibility of the complications will be explained to me by the practitioner and/or his associates and assistants or in written format.
4. I acknowledge that no guarantee or assurance as to the results that may be obtained from the procedure has been given by *KC CORE*, its associates or assistants.
5. I acknowledge that some forms of care may require that I put on a medical gown, shorts, T-shirt, or sports bra for evaluation and treatment purposes only.
6. I understand and am informed that in the practice of chiropractic there are some risks to treatment, including, but not limited to, temporary soreness, bruising, or increased symptoms/pain, as well as dizziness, nausea or flushing. ***Please notify your provider if you have been diagnosed with a bone weakening condition, such as osteoporosis, as it may increase risk of fracture.**
7. I acknowledge that a fee in the amount of **$35.00** will be automatically assessed in the event that I do not give a minimum of 24 hours prior notice to appointment cancellation or rescheduling.
8. For the purposes of medical documentation, security and compliance with the HIPPA Privacy Act, I understand that all information pertaining to my evaluation and treatments will become a part of my medical history chart and treated as such including but not limited to; medical history, results of this evaluation, treatment progress notes, digital photos, copies of driver's license, or medical insurance cards.
9. I understand that *KC CORE* clinical staff practices complementary and alternative healthcare services, at no time will any *KC CORE* clinical staff be responsible for any of my prescription medications prescribed by my Medical doctor. *KC CORE* will defer all medication questions and treatment plans to my Medical doctor.

By signing below, I am verifying that I have read and understand the information listed above and give my consent to evaluation and treatment at KC CORE.

HIPAA PRIVACY POLICY PATIENT CONSENT FORM

I understand that I have certain rights to privacy regarding my protected health insurance portability and accountability act of 1996 (HIPAA). I understand that by signing this consent I authorize you to use and disclose my protected health information to carry out:

- Treatment (including direct or indirect treatment by other healthcare providers involved in my treatment).
- Obtaining payment from third party payers (i.e. my insurance company).
- The day to day healthcare operation of your practice.

I have also been informed of and given the right to review and secure a copy of your Notice of Privacy Practices, which contains a more complete description of the uses and disclosures of my protected health information, and my rights under HIPAA. I understand that you reserve the right to change the terms of this notice from time to time and that I may contact you at any time to obtain the most current copy of this notice.

I understand that I have the right to request restrictions on how my protected health information is used and disclosed to carry out treatment, payment, and health care operations, but that you are not required to agree to these requested restrictions. However, if you do agree, you are then bound to comply with this restriction.

I understand that I may revoke this consent, in writing, at any time. However, any use or disclosure that occurred prior to the date I revoke this consent is not affected.
